BLAZE

HERO STORIES

This here tale begins with...

...Blaze and his posse doing what they do best...

RAT-A-TAT-TA

turning big things...

BOOM

...into lots of small ones.

No one knows exactly why...

...they're out there in the middle of nowhere,

but the loot they go after...

RATATATATA-

...tends to be complicated,

BAM

messy...

...and well protected.

Because Blaze never found a problem...

...that couldn't be solved by a lit fuse.
